He is now on other land & is building a house on it. He left it & abandoned it on 12th January last. I desire the left to see that my rights of protected & that I alone be allowed to file on it. Ottawa 23rd May, 1913.

Memorandum:

N. E. ¼ of --81--2[illegible], W. 4th M.
John Gladu -- Dwight V. Fletcher.

Yesterday in your memorandum of the 14th November last that the Agent of the Department should be instructed to endeavour to arrange a division of this quarter section so that each of the parties affected could obtain entry for the parcel upon which the residence and improvements are located.

In fact, as you fully set forth in my memorandum of the 17th November last (supra).

In his report dated Mr. Commissioner Mathieu states:

"I suggest to Mr. Fletcher that he take half of the quarter section and that Mr. Gladu take the other half.

"Mr. Fletcher refused to accept any division or any portion of the land above described. To use his own words: 'I want it all or none.'

"Then drove out to said land and found Mr. Gladu in residence. I asked Mr. Gladu if he would be willing to accept a division, he take that half now in his possession. Mr. Gladu stated that as he had [illegible] improvements on that part he would be willing to accept a division of the land provided he could not get all."

Respectfully submitted,

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

REFERENCE: Ottawa, 30th September, 1920.

Re Lot 57, Swan River and Salt Prairie Settlement, and fractional legal subdivision 10 of section 19, township 27, range 19, west 1st M.

Mr. John Lamoureux, Junior, was granted homestead entry on the 6th April, 1913, for lot 57 of the above mentioned settlement, more minutely described on the plan attached.

It has been subsequently ascertained that Mr. Lamoureux has not been living on this lot nor has he made any improvements thereon.

Cancellation proceedings are pending for failure to make application for patent.

On the 5th April, 1914, Mr. Lamoureux applied to purchase fractional legal subdivision 10 of section 19, township 27, range 19, west 1st meridian, lying to the east of the settlement and comprising 3.04 acres, more or less, shown coloured pink on the plan.

The papers in the case were sent away from this office and were not returned and the application therefor was not completed.

Cancellation proceedings in respect of the homestead entry for lot 57 were instituted on the 15th July, 1920, and in his defence of the 12th ult. Mr. Lamoureux states as follows:

"I am a half-breed in poor circumstances
"I have been living in error on this
"fraction thinking that it belonged to
"the River lot until the homestead
"inspector informed me about a month ago.
"I have built a house value $250.00, two
"horses worth $100.00, eleven horned
"cattle worth $200.00, cattle owned worth $50.00 and a
"well worth $50.00. There is no open land
"whatever on the River lot 57 but I have
"five acres broken on the fraction. If I
"could purchase the fraction I would do so,
"it is only about 5 acres, I think."

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

It.....

It is not the practice at the present time to sell agricultural land other than fractional areas of 60 acres or less which may be sold to owners of adjoining land.

Mr. Larouche does not own any land adjoining the parcel applied for but he appears to have made his improvements on this parcel, valued at $475.00, thinking that it formed part of lot 57. According to the report of the homestead inspector Mr. Larouche states that he has been living continuously on this parcel for the last ten years, and that he is a half breed in poor circumstances.

The cancellation proceedings have been held in abeyance pending a decision on his application to purchase this small fraction.

In view of the circumstances, I would recommend that under the provisions of section 34 of the Dominion Lands Act, he be allowed to purchase the parcel at a valuation to be placed thereon by a homestead inspector.

Respectfully submitted,

Acting Controller.

APPLICATIONS TO PURCHASE

Frac. N.E.¼ 6- 65- 18- W. 4th M., containing 70.3 acres, hatched in red on sketch, subject to railway right of way, but otherwise vacant.

I beg to submit the conflicting applications to purchase this parcel received from Mr. John Pasnak and David Hewett.

Mr. Pasnak whose application is dated the 23rd April, 1914, holds under homestead entry dated the 22nd idem, the S.E.¼ of Section 6, comprising 160 acres; and Mr. Hewett whose application is dated the 20th April, 1914, holds under homestead entry dated the 16th idem the fractional N.W.¼ of Section 6, comprising 130.7 acres.

It will be observed that the Homestead Inspector in his report of the 16th July last, beneath, on these two applications, values the parcel at $4.00 an acre, and recommends that a sale be made to Mr. Pasnak.

Notwithstanding the Inspector's recommendation you may consider it advisable to make a division of the land, permitting Mr. Pasnak to purchase Legal Subdivision 9, comprising 30.1 acres, and Mr. Hewett Legal Subdivision 10, comprising 40.2 acres. Such a division would give the former access to the lake and the latter additional

Sales if authorized should, of course, be made subject to the applicants earning patents for their respective homesteads.

MEMORANDUM:

Mr.H.S.Cote.

Referring to your Memorandum of the 7th January,last, submitting the preliminary plans of the following townships:- (Memorandum and plans attached hereto)

There appears to be no objection to throwing open for entry in the usual way the newly surveyed available lands in the following townships:-

Township.	Range.	Meridian.
108	11	5
104	14	"
107	14	"
106	15	"
84	20	"

In connection with the plan of Township 107, Range 15, W.5th M. - N.C.7 which was granted as a homestead entry to Jno.Gregor on the 5th October,last. The Agent might be requested to report why and under what circumstances he granted this entry, and on receipt of his report the matter as to whether the entry should stand or not might be submitted for consideration.

Sections 4,5 & 6, North of the River,
" 19 & N.½ of Sec.18, South of the River,

are claimed by Mr.Sheridan Lawrence.

A Homestead Inspector might be instructed to report carefully in connection with this claim, giving full details, and on receipt of the report the matter might be dealt with in connection with the other Lawrence claims in that vicinity. Please refer to my reference to this matter in connection with claims of the Lawrence family in Township 106, Range 14, West 5th Meridian.

In that regard it strikes me that large concessions have been granted to these Lawrence people in the Peace River country, and I think it advisable to deal with those claims all at the same time, full information being given as to the settlement of past claims.

With the exception of these lands, I see no objection to the newly surveyed available lands being thrown open for entry in the usual way.

Township 108, Range 12, W.5th M.

S.E.¼ Sec.27 is claimed by John Inglis as a free grant, which claim, I understand, is being dealt with in your branch.

With the exception of this parcel of land, I see no objection to the newly surveyed available lands being thrown open for entry in the usual way.

Commissioner.

Your file 1352.71.

free grant to Marian Lawrence of said lot 1, range 1, and permitting him to purchase lot 2, range 1, could then be considered. I must point out in this connection that Mr. M. Lawrence made homestead entry for said lot 2, range 2, the same having subsequently been cancelled.

With reference to the application by Marian Lawrence for the parcel on the regular survey adjoining said lots 1 and 2, range 1, I may say that this, presumably, refers to the fractional S.E. ¼ of section 25, township 1 N., range 12, east of the fifth meridian, containing 111.10 acres. Mr. Lawrence should, however, be asked to definitely describe the land and on what grounds he claims the same.

In reference to the claim of the S.E. ¼ of section 10 (156.7 acres), the S.E. ¼ of section 9 (160 acres), township 1 N., range 14, east of the fifth meridian, recently surveyed, Mr. Lawrence made application at the time of Treaty and of survey, I am informed that he would be entitled, under said section 73, to an area not exceeding 160 acres and he should qualify with parcel of that area he desires as a free grant when the possibility of permitting him to purchase the balance by sale might be considered, although I am of the opinion that in any event no order in council will be necessary to authorize the same. It does not appear to have been homestead entry for any of these lands. The Homestead Inspector, in his report of the 4th September, 1914, file 2[illegible], sets forth in detail the improvements on the respective quarters of the lands above referred to, the value of the improvements on the S.E. ¼ of section 10 being $750, on the S.E. ¼ of section 10 - $400, the S.E. ¼ of section 9 - $50, fencing (used for pasture), the S.E. ¼ of section 9 - no improvements (used for pasture).

In reference to Mr. Lawrence's claim to the S.E. ¼ of section 10 (156.3 acres), the S.E. ¼ of section 11 (27.4 acres), the S.E. ¼ of section 12 (160 acres), and the S.E. ¼ of section 14 (156.2 acres) of Township 1 N., range 14, east of the fifth meridian, Treaty, I may say that in this case, as in those above referred to, the father would have been entitled to one quarter section only as a free grant, and with reference to Mr. Lawrence's claim as a squatter before survey, he would only by virtue thereof claim one quarter section under homestead entry and he, as will be noted, claims homestead right for many parcels of land. In this case also, it would be necessary for letters of administration or letters probate of the father's estate to be filed here and evidence to be furnished of the transfer to him of the rights of all the heirs.

The Homestead Inspector, also reporting respecting these lands, refers to the same as having thereon improvements of.....

of the following values: [illegible] of section 10 - [illegible], [illegible] of section 11 - [illegible], [illegible] of section 12 - [illegible], [illegible] of section 14 - [illegible], [illegible] of section 14 - no improvements (used as pasture).

I would point out in this connection that it would not appear in any event that the said [illegible] of section 11 could be likened to Mr. Lawrence, the same being natural lands.

[illegible] of section 14 (156.2 acres), the [illegible] of section 12 (150.6 acres) of [illegible] acres 14, part of the fifty million, claimed to have been acquired through his brother, John Lawrence, the same section would be required to set forth separately the lands claimed thereunder. The improvements on these lands were valued by the [illegible] as follows: [illegible] of section 14 - [illegible], [illegible] of section 14 and [illegible] of section 12 - used as pasture. No report has been received respecting the [illegible] of section 14.

It [illegible] to Mr. Lawrence's claim to section 14 (156 acres) and the [illegible] of section 12 (146.6 acres) of [illegible] acres 14, part of the fifty million, claimed by virtue of [illegible] at the time of treaty by his brother, [illegible] Lawrence. I would point out that according to the Inspector's report, Mr. Lawrence was in the [illegible] of section 14 and the [illegible] of section 12 is a long [illegible] of the value of $15. The Inspector recommended that Mr. Lawrence had been using a great deal of this land since 1920, during the [illegible] he has been cutting hay on the land and feeding some of his cattle there during the summer months. The Inspector also reported that Mr. Lawrence had been erecting a great number of cattle and horses and in order to do so, required a large tract of land to be used for pasturage in the district.

[illegible] Mr. Lawrence's claim to the [illegible] and the [illegible] of section 4 (327.5 acres), all of section 5 (327.7 acres) and the [illegible] of section 8, part of these [illegible] (160.4 acres), claimed by [illegible] of his brother, James Lawrence, at the time of treaty. I beg to say that the same section as above outlined pertains to these areas, viz., that he will require to have filed here the different transfers of land from his brother when the question of [illegible] can be [illegible] in Council through virtue of the [illegible] of 160 acres only to each one, and particulars as to purchase the values might be considered.

The Provincial Inspector, [illegible] these lands, reports on section 4 [illegible] of the value of [illegible], on section 5, [illegible] of the value of $160, and on section 8, [illegible] of the value of $100.

Respectfully submitted,

[illegible]
Controller.

provisions of Sub-section "C" of Section 76 of the Dominion Lands Act 160 acres only may be given as a free grant and it would appear in view of the valuable improvements on these lands and certain other lands claimed by Mr. Lawrence that $3.00 an acre only, the minimum rate prescribed by the Dominion Lands Act, should be charged.

With reference to the claim of Mr. Lawrence to the W.½ of Section 10 (280.7 acres) and the E.½ of Section 9 (320 acres) of Township 108, Range 14, West of the Fifth Meridian, respecting which he executed the customary statutory declaration before the Treaty Commissioners, I would recommend that Messrs. Chimester & Dundon be advised that the authority of Council will be asked sanctioning a free grant to him of 160 acres and that he may purchase the remaining area, comprising 440.7 acres, at the rate of $3.00 an acre.

Mr. Lawrence, however, has claimed homestead right to various parcels of land and provided he is eligible he might be permitted to make a homestead entry for one of the quarter sections comprising the said W.½ of Section 10 or the E.½ of Section 9, he having been in occupation prior to survey.

The Homestead Inspector in his report of the 4th September, 1915, file No. 2657625, sets forth in detail the improvements on the respective quarter sections, the value of the improvements on the N.W.¼ of Section 10 being $1720, on the S.W.¼ of Section 10 - $420, on the N.E.¼ of Section 9 - $50. fencing (used for pasture), the S.E.¼ of Section 9, no improvements (used for pasture).

Respecting the E.½ of Section 10 and the N.E.¼ of Section 11, the S.E.¼ of Section 15 and the W.½ of Section 14 of Township 106, Range 14, West of the Fifth Meridian, claimed by the purchase of the right thereto of his late father, Mr. H.H. Lawrence, I may say that the deceased would appear to have established his right to 160 acres of these lands as a free grant and as of the opinion that Messrs. Chimester & Dundon might be advised that the authority of Council will be asked sanctioning a free grant to the estate of 160 acres and the estate may be permitted to purchase the remaining area of 477.1 acres at the rate of $3.00 an acre.

A notarial copy of letters probate of the estate.....

estate has been furnished, administration thereof having been granted to John Lawrence and he having had filed here power of attorney from himself to Sheridan Lawrence.

Messrs. Chimester & Dundon have represented, however, that John Lawrence is deceased.

The original of the letters probate or a copy thereof duly certified by the proper officer of the court within which the land is situate will require to be furnished.

The area of 477.1 acres above referred to does not include the said fractional N.E.¼ of section 11, which is school lands and consequently not available.

The Inspector's report as to the improvements on these lands is as follows: N.E.¼ of section 10 - $7000, S.E.¼ of section 10 - $420, N.E.¼ of section 11 - $240, S.E.¼ of section 15 - $600, N.E.¼ of section 14 - $580, N.W.¼ of section 14, no improvements (used as pasture).

Respecting Mr. Lawrence's claim to the W.½ of section 14 (126.2 acres), the S.E.¼ of section 23 (160.6 acres) and the N.W.¼ of section 22 (160 acres) of said Township 108, Range 14, west of the fifth Meridian, claimed to have been acquired through his brother, John Lawrence, presumably since deceased, it would be necessary for letters of administration or letters probate of the estate to be furnished when it would appear a free grant of 160 acres might be made provided the necessary authority of Council is obtained and the balance of 276.80 acres might be sold at the rate of $3.00 an acre.

It may be pointed out, however, that there has been filed here a document purporting to have transferred the rights of John Lawrence in these lands to the present applicant. Such document cannot, however, be regarded as satisfactory. The improvements on these lands have been valued by the Inspector as follows: The S.E.¼ of section 14 - $60, N.E.¼ of section 14 and S.W.¼ of section 23 used as hay lands. No report has been received respecting the S.W.¼ of section 22.

Regarding Mr. Lawrence's claim to section 18 (52.5 acres) and the S.W.¼ of section 19 (134.6 acres) of Township 107, Range 15, east of the fifth Meridian, claimed through his deceased brother, Mr. I. . Lawrence, I would point out that in his declaration before Dominion Lands Surveyor Galletly in November, 1912, file 2857628, Mr. Lawrence claimed only the N.½ of section 18 (255.5 acres) and the S.½ of section 19 (158.4 acres) and in January, 1918, Mr. A.G. Lawrence executed a statutory declaration.....

declaration respecting the S.E. of Section 18, setting forth that he had been in residence on the date of the conclusion of the Indian Treaty and erected buildings presumably upon the said quarter section but upon the survey lines being run, such improvements were found to be on an adjoining quarter section belonging to his brother.

It will be observed in this connection that Messrs. Phimester & Dundon apply only for the S.W.¼ of said Section 19 through the late I.E. Lawrence and, under the circumstances, I beg to recommend that the authority of Council be asked sanctioning a grant of the S.W.¼ of Section 19, containing as set forth above 158.4 acres, to the estate of the late I.E. Lawrence.

The Inspector stated that Mr. Lawrence had on the N.½ of Section 18 and the S.½ of Section 19 a log house of the value of $35 and cattle sheds for winter use of the value of $175.

A copy of letters probate of the estate has been filed. It will, however, be necessary for the original or a properly certified copy to be furnished.

With reference to Mr. Lawrence's claim to the S.½ of Section 4 (307.2 acres), the whole of Section 5 (527.7 acres) and the N.E.¼ of Section 6, east of Peace River (16.4 acres) of Township 107, Range 15, West of the Fifth Meridian, through the right thereto of Mr. Jas. Lawrence, I may point out that it will be necessary for Mr. Sheridan Lawrence in this instance to have filed here an assignment properly executed from Jas. Lawrence to himself of his rights and interest in the lands when the authority of Council may be asked to sanction a free grant to Sheridan Lawrence as assignee of 160 acres, and he may be permitted to purchase the balance containing 691.3 acres at the rate of $3.00 an acre.

It would appear that the most favourable consideration possible should be given Mr. Lawrence's claims as undoubtedly the family have been pioneers in the Northern Territories and in the event of the applications being concluded on the basis above set forth, I consider that a statement should be obtained from Mr. Lawrence that the consideration given to his applications satisfies his claim in full.

Respectfully submitted,

Comptroller.

(657.1 acres) H.H. Lawrence.

Fractional N.W.¼ of Section 11 is school lands and not available. Sheridan Lawrence bases his claim on the right of his late father. Deceased would appear to have established right to 160 acres as a free grant, having been in possession before Treaty. A notarial copy of Letters Probate has been filed in the Department, administration having been granted to John Lawrence, who filed in Department Power of Attorney from himself to Sheridan Lawrence. The Solicitors have represented, however, that John Lawrence is deceased.

It has been represented that there are improvements on the N.W.¼ of Section 10 valued at $7000, on the S.E.¼ of Section 10, $420, on the N.E.¼ of Section 11, $240, on the S.E.¼ of Section 15, $600, and on the S.E.¼ of Section 14, $580. The N.E.¼ of Section 14 has been used as pasture.

Mr. Sheridan Lawrence claims on the rights of his deceased brother. The late John Lawrence would appear to have established a claim to a free grant of 160 acres by possession prior to Treaty. Letters of administration or Letters Probate will have to be furnished.

There would appear to be improvements on the S.W.¼ of Section 14 valued at $60. The N.E.¼ of Section 14 and the S.E.¼ of Section 23 have apparently been used as hay lands. No information respecting improvements on the E.½ of Section 23.

Mr. Sheridan Lawrence bases his claim on the rights of his deceased brother. The late I.H. Lawrence claimed only fractional N.½ of Section 18 and the Fr. N.½ of Section 19 (413.9 acres). The Solicitors for Mr. Sheridan Lawrence make claim to the S.E.¼ of Section 19 only. It is represented that there are improvements on the Fr. N.½ of Section 18 and the Fr. S.½ of Section 19 of the value of $210.

Sir,

I beg to call your attention to the following facts relating to the application of Mr. Sheridan Lawrence to acquire title to the lands hereinafter described, and to request you to detail a Homestead Inspector to immediately visit the various parcels and furnish the Department with a complete and detailed report of the location and value of the improvements thereon, the name to specify the lands in which the improvements are situate, the location of the same and their actual value. The Inspector should also furnish any additional information which in his opinion may be of assistance to the Department in dealing with the applications. It is desired that you give the matter immediate attention advising the Department of your action.

(494.3 acres) Erastus J. Lawrence.

Mr. Sheridan Lawrence bases his claim on that of his late uncle who claimed these lands before the Treaty commissioner. The claimant was killed shortly after the spring of 1897. His son, E. J. Lawrence, is represented to have sold the property to A.L. Brick. Sheridan Lawrence bought half interest from Mr. Brick, selling some to the Peace River Trading and Land Company Limited, Mr. Brick also selling his interest to the same Company, of which Sheridan Lawrence was manager. Sheridan Lawrence claims to have bought the whole property from the Peace River Trading and Land Company and to have occupied and cropped same since 1907.

The claimant executed the customary statutory declaration before the Treaty Commissioners. However only 160 acres may be given as a free grant. He represented to have improvements on the N.W.¼ of Section 10, valued at $1720, on the S. E.¼ of Section 10, $420, on the N.E.¼ of Section 9, fencing $60.

comprising 440.7 acres be sold at the rate of $3.00 an acre. It was, however, pointed out that as Mr. Lawrence had claimed homestead right to various parcels of land, he might be permitted, if eligible, to make homestead entry for one of the quarter sections comprising the said S.½ of Section 10 or the N.½ of Section 9, he having been in occupation prior to survey.

The further report received sets forth that on the N.½ of Section 14 there are improvements of the value of $90, on the S.W.¼ of Section 15 - $375, on the N.E.¼ of Section 11 - $225, on the N.½ of Section 10 - $325, the entire however, being wholly situate on the N. ½ of said section 10 with the exception of a small portion of breaking.

It was recommended in this case that a free grant be made of 160 acres and the remaining area of 477.1 acres be sold at the rate of $3.00 an acre.

The Inspector, reporting further respecting the said N.½ of Section 14, states that the improvements consist of a half mile of wire fencing of the value of $75, the land being all hay land.

With reference to the S.E.¼ of Section 23, there are no buildings thereon, the land having been used as hay land, the Inspector stating that at one time there had been fencing, the same having been destroyed by fire.

The Inspector states with reference to the N.E.¼ of Section 22 that the area could have been described as the S.E.¼ of Section 23, which is doubtless correct. This is all hay land.

It was recommended respecting the above parcel that as John Lawrence, the claimant, would appear to have established a claim to a free grant of 160 acres by occupation prior to survey, a free grant be made of 160 acres and that the balance of 276.8 acres be sold to the estate at the rate of $3.00 an acre.

The statement which had been made to the Department to the effect that John Lawrence, the claimant, was dead, would appear to be erroneous.

It appears according to all information I can obtain that the files relating to the estate of M. H. As the files herewith do not disclose any further action having been taken after the applicants were advised as regards being given free grant for 160 acres and permission granted to purchase the balance claimed it seems to me that the files relating to James Lawrence, John Lawrence and the estate of A. OTTAWA, 19th of July, 1928.

Sir,-

N.E. ¼ Sec. 19 Tp. 61 Rge. 1 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

The Officer taking this application for patent is requested to exercise particular care that the name of the homesteader is given in full and correctly spelled.

The Soldier Settlement Board

File No. 3-1573

OTTAWA - [illegible], 1931.

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1931, where duties completed by soldier settler.

RE: Henry Cecil Delmas.
N.E.¼ 18-7-2-W.4th (Hwi)
N.W.¼ 20-7-2-W.4th. (S.S)

The above described lands are the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approval in his favour on the 22nd September, 1919, the settler secured advances from the Board totalling $[illegible], as follows: permanent improvements, $[illegible]; stock and equipment, $[illegible]. As security the Board holds a charge on the settler's homestead and soldier grant. The only other land security held by the Board in this case is a mortgage against the S.E.¼ and Pt. S.W.¼ 18-7-2 W.4th, the settler's privately owned land.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Department of the Interior to the settler dated the 5th May, 1931, and the 16th June, 1931.

The regulations approved by the Governor in Council on the 4th June, 1931, P.C.1461, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 18-7-2 W.4th and the N.W.¼ 20-7-2 W.4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 21 of the Soldier Settlement Act, as all of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

Canada

Province of Alberta
To wit

I Constantine England of the Post Office of Vanrena in the Province of Alberta Farmer do solemnly declare

3841306

That in the spring of 1914 and subsequently one Lester Mack was the entrant on the South east quarter of Section 3 Township 82 Range 4 west of the sixth Meridian in the Province of Alberta.

That in the spring of 1914 at the request of the said Lester Mack I broke twenty five acres on the said quarter section for which I was to receive the sum of $4.00 per acre amounting in all to the sum of $100.00.

That in the spring of 1915 at the request of the said Mack I built one mile of wire fence on the said quarter section which fence consisted of two wires on posts and furnished the wire. I also built one half mile of pole fence for the doing of which I was to receive the sum of $50.00.

The said Mack left the country returning to the United States in February 1915 and I have heard nothing from him since although I have made careful and diligent enquiry.

The said Mack never paid the the sums of money above mentioned nor any part thereof.

The entry of the said Mack was cancelled in the autumn of 1915 and the improvements on the said quarter section were valued at $138.00 Save the improvements done by me there were no other improvements save a small poplar shanty which was valued at nothing in the valuation of the homestead inspector, and the said sum of $138.00 was allowed solely for the work done by me on the said quarter.

I verily believe that the said Mack has abandoned the said quarter and all compensation for improvements thereon and that I am the

erson entitled to the compensation for the said improvements

And I make this solemn declaration conscientiously believing it to be true and knowing it to be of the same force and effect as if made under oath by virtue of The Canada Evidence Act.

Sir,-

N.E. 4 Sec. 1 Tp. 78 Rge. 4 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

[illegible] Sec. [illegible] Tp. [illegible] Rge. [illegible] West [illegible] Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

N.½ 4 Sec. 6 Tp. 78 Rge. 5 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and proved this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

SOLDIER GRANT

5533118

Soldier Settlement Board

Canada

File No. 4-951.

OTTAWA - AUG 7 1930

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Peter Koriney,
S.W.¼ 23-50-21 W.4th (S.I.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in July 1919, and in the course secured advances from the Board amounting to $1542.65, as follows: stock and equipment, $1451.50; special advances, $91.15. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the settler's homestead the S.W.¼ 23-50-21 W.4th.

In October 1923 the Field Supervisor reported that the Board's security has been greatly impaired and the settler does not seem to realize what his obligations are, either that or he doesn't want to and it is hopeless to try and help make a success of his undertaking. Since his establishment on the land he has not made any attempt to reduce his indebtedness. He is a very illiterate type and is continually in trouble. He claims that he does not understand why he has to repay his loan as he looked upon it as a gratuity. In the fall of 1923 he sold five head of stock and did not make any restitution. During the whole period of his establishment he brought less than ten acres under cultivation and this area which is in a number of scattered patches, evidently consists of all of the land on the farm, which did not require hard labour to clear. In September 1926 in reply to a letter from the Board pointing out the very unsatisfactory state of his loan he advised that he could not make any payment but that if we intended to foreclose it would be quite alright but that he expected the Board to pay him for his work on the farm.

The usual Thirty day Notice was addressed to the settler on the 19th January, 1927 and the remaining stock and equipment was repossessed and sold. In spite of the rescission of the settler's agreement with the Board he has continued to reside on the property. He is a Russian and although he has lived in this country many years speaks practically no English and probably does not understand the meaning of the notice served on him. The District Office has written several letters to the settler, translated into Russian, since rescission explaining the situation to him and advised that we would reinstate him if he could make small payments from year to year. He also made application for patent but will not or cannot pay the $5.00 fee for the issue of naturalization papers. As a further illustration of how the

settler.....

letting order checked
& found correct

settler treats his liabilities, he has had a housekeeper for the past seven years and has apparently not paid her any wages as she called on the District Office last fall and asked the Board's assistance in collecting her wages owing her during that period. It appears that he put her and her children of tender years out of the house and she had him arrested for assault in this connection.

This settler's principle liability is a $1000.00 for provincial, municipal and school taxes, this amount together with his indebtedness to the Board amounts to considerably more than the valuation of the half section. We, however, expect to secure sufficient from the sale of the soldier grant to retire his indebtedness to the Board leaving the settler the homestead quarter on which his buildings are erected and on which quarter he is residing. The soldier grant is entirely unimproved.

The settler's indebtedness to the Board amounts to $342.35. The settler is also indebted to the municipality to the extent of over $1000.00. There has been no recent appraisal of each quarter-section separately. The half section was appraised as a unit in April last at $1435.00. This half section was described as being a rough farming proposition mostly burnt bush, some burnt sloughs and muskeg. The cost of clearing being from $15.00 to $20.00 per acre. No arrangements have been made for the disposal of the soldier grant but some time ago we had some prospective purchasers who were interested in the half section.

The land in question being charged land within the meaning of Section 32 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 16 of the Soldier Settlement Act, as $782.35 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Your file No.151046-206316.

Re: Account of Frederick Hochsung
H.L. 21-66- 0- 4

The matter of an application for an adjustment of [illegible] outstanding against the above mentioned party is referred to us, constituted as a Board to deal with such cases. Having carried an investigation I am in a position to report as follows:

In 1915 a [illegible] amounting to $25.00 was advanced to Frederick Hochsung on the security of the [illegible] boy mentioned land. No payment has ever been received and the present status of this account is:

Principal	Interest	Total
$ 25.00	$ 45.00	$ 70.00

The H.L. 21-66-1-4 was formerly the property of Frederick [illegible] on which security he obtained an advance of the above mentioned amount.

[illegible], according to an Abstract of Title dated the [illegible] day of December 1[illegible], the land described in the name of a Mr. Theodore [illegible] and there is no record of the 1915 lien having ever been registered.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C.M. Hilliard.

Ottawa, 14th August, 1919.

Summary:

During the war United States citizens are not permitted to become British subjects.

We are issuing passports to homesteaders who are United States citizens, without naturalization, under the Order-in-Council of the 10th October, last.

As soon as possible it is desired to return to the practice of requiring these entrants to submit evidence of naturalization.

It is therefore recommended that the Secretary of State for external affairs communicate with the United States Government asking to be advised as soon as the peace treaty is ratified.

Department of the Interior

Washington, D.C.

Pl:666.

August 16th, 1919.

Sir,

I am directed by the Secretary to state that some time ago the attention of the United States Government, through the Secretary of State, was drawn to the fact that by an Act passed by the Alberta Legislature on the 2nd March, 1917, entitled, "An Act in reference to the expatriation of Citizens of their Province", provision was made that no male citizen would be allowed to expatriate himself while the United States was at war. The Secretary of State decided, in his discretion, to say that he could not recommend the issue of certificates of naturalization to citizens of the United States during the continuance of the war.

In order that any citizen of the United States, who is the holder of a homestead entry, may not be deprived of his opportunity of obtaining letters patent on account of the prevailing situation, by reason of his inability to furnish certificate of naturalization as a British subject,

You are hereby directed by me in pursuance of the 7th November, 1918, . . . No. 1918, (copy attached), whereby any citizen of the United States who is the holder of a homestead entry, shall be entitled to obtain letters patent for such homestead notwithstanding that such person has not become a subject of His Majesty upon satisfying the Minister of the Interior that he is qualified to be naturalized as a British subject except

An act in reference to the expatriation of citizens and their protection abroad.

Be it enacted by the Senate and House of representatives of the United States of America in Congress assembled, That the Secretary of State shall be authorized, in his discretion, to issue passports to persons not citizens of the United States as follows: Where any person has made a declaration of intention to become such a citizen as provided by law and has resided in the United States for three years a passport may be issued to him for the protection of his person in any foreign country: provided, that such passport shall not be valid for more than six months and shall not be renewed, and that such passport shall not entitle the holder to the protection of this government in the event of his return to the country of which he was a citizen prior to taking such declaration of intention.

Any naturalized citizen shall not reside for two years in the foreign state from which he came, or for five years in any other foreign state, it shall be presumed that he has ceased to be an American citizen, and the place of his former abode shall be deemed his place of residence during said years: provided, however, that such presumption may be overcome on the presentation of satisfactory evidence to a diplomatic or consular officer of the United States, under such rules and regulations as may be prescribed by

Sec.4. That any foreign woman who acquires American citizenship by marriage to an American shall be assumed to retain the same after the termination of the marital relation if she continues to reside in the United States, unless she makes formal renunciation thereof before a court having jurisdiction to naturalize aliens, or if she resides abroad she may retain her citizenship by registering as such before a United States consul within one year after the termination of such marital relation.

Department of the Interior

H.Y. Cannon

August 14th, 1919.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to state that some time ago the Government of the United States drew the attention of the Canadian Government, through the Secretary of State, to the fact that by an Act passed by the United States Congress on the 2nd March, 1907, intituled, "An Act in reference to the expatriation of citizens and their protection abroad. (Public .o. 193)", provision was made that no American citizen would be allowed to expatriate himself while the United States was at war. The Secretary of State decided, in his discretion, to pay due regard thereto and not to issue certificates of naturalization to citizens of the United States during the continuance of the war.

In order that any citizen of the United States, who is the holder of a homestead entry, should not be deprived on this account of the opportunity of obtaining Letters Patent on completion of the required duties, by reason of his inability to furnish a certificate of naturalization as a British subject.

Provision was made by Order in Council of the 7th November, 1919, P.C. No. 2703, (copy attached), whereby any citizen of the United States who is the holder of a homestead entry, shall be entitled to obtain letters patent for such homestead notwithstanding that such person has not become a subject of His Majesty upon satisfying the Minister of the Interior that he is qualified to be naturalized as a British subject except

(a) that he has not resided in the British Dominions or been in the service of the Crown for the period necessary for naturalization, or

(b) that he is forbidden to become so naturalized by the laws of the United States of America;

And further, that he intends to become a subject of His Majesty as soon as it is possible for him to do so, under the laws of Canada.

Sir,-

S.E. ¼ Sec. 15 Tp. 82 Rge. 24 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter sect[illegible] above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the pre-emption and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Mr. HUNT:-

Please see the memorandum of the 30th September last, (marked).

On the 3rd October, 1914, Mr. Mercure was advised that he would be allowed entries for the E.½ of 9--34--13, West of the 4th Meridian, in lieu of the S.E.¼ of 4--34--1, West of the 4th Meridian, and on the 14th. ultimo he was informed in answer to his letter of the 12th. October last, that it would be necessary for him to state which quarter-section he desired to receive a free homestead patent for.

In his letter of the 2nd instant, hereunder, he states that he will accept the S.E.Quarter and desires a patent to be sent as soon as possible in order that he may borrow money, and he wishes the S.E. Quarter held until May next.

Judging from the correspondence on file it appears that Mr. Mercure is to be granted homestead and pre-emption entries for the E.½ of Section 9 above referred to. You will observe that the said section is in Township 34 and not in the pre-emption area.

Should the Agent, in view of the foregoing, be requested to report in his next return the S.E. Quarter of Section 9--34--13, West of the 4th Meridian, as disposed of under homestead entry to Mr. Mercure, and the S.E. quarter as a pre-emption ?

The pre-emption entry fee apparently has not been paid.

Sir,-

I beg to acknowledge the receipt of your letter of the 21st instant, and in reply I am to say that the Agent of Dominion Lands, Edmonton, has been instructed to report in the next return the North East quarter of Section 9, Township 54, Range 13, West of the 4th Meridian, as a forest entry in your name, being a transfer of your homestead entry for the South West quarter of Section 4, Township 5, Range 1, West of the 5th Meridian.

The South East quarter of Section 9, Township 54, Range 13, West of the 4th Meridian, is to be further reserved for the present until the homestead is disposed of. This quarter-section is to be sold on pre-emption conditions and not pre-emption, therefore, no entry fee is required.

MEMORANDUM:

H. O. Cate, Esq.,
Controller of Patents.

Kindly see Mr. Perrin's memorandum of the 11th March last and the notes endorsed thereon.

Mr. Paul Mercure made application for patent for the SW-9-54-17-W.5th M. on the 19th April, 1910, and the records show that on the 14th January, 1911, Mr. Dixon accepted the evidence as being complete so far as the performance of duties is concerned. I have withheld this on the application for patent.

The quarter section mentioned not being available, Mr. Mercure has been permitted to select another quarter section and has been notified that his entry would be transferred to such land. See Departmental letter to him of the 20th September, 1917.

I hereby certify that the proof of completion of duties on the S.W.-9-54-17-W.5th has been accepted as sufficient and the fact shows that you have authority to transfer Mr. Mercure's entry to the land which he has selected, being the SW-9-54-17-W.5th.

According to Mr. Perrault's report of 16th February last, the Agent at Pembroke has forwarded the latter letter and homestead entry in the name of Paul Mercure, and as I understand it, the location authorized on Mr. Perrin's memorandum of the 11th March last, is sufficient for the issue of patent for the said land.

Memorandum:-

Mr. Lamb.

S.½ of 9--54--13, W.5th M.
S.½ of 5--15-- 8, W.4th M.

The two half-sections above described were reserved in order that one Paul Mercure might select a homestead and pre-emption in lieu of the S.E.¼ of 4--5--1, W. 5th M., for which entry was granted him in error, and, consequently, such entry could not be allowed to stand.

Mr. Mercure selected the W.½ of 9--54--13, W.5th M. as a homestead, and patent for this quarter-section issued in his favour on the 28th July, 1915.

Some time ago the question as to whether the S.½ of 5--15--8, W.4th M. should be made available came up for decision, and it was your opinion that this land should not be disposed of until advice had been received from Mr. Mercure that he desired to get the S.E.¼ of 9 on pre-emption conditions.

A letter has now been received from Mr. Mercure, in which he states that he would like to get the S.E.¼ of 9 as a pre-emption but that he would like the right to select this held upon until next spring.

I assume that, under these circumstances, the S.½ of 5 may now be posted and made available for settlement under the usual conditions.

Kindly advise us to whether the above action may be taken and also whether the S.E.¼ of 9 may be further reserved for Mr. Mercure until the 1st May next.

Respectfully submitted.

S.E.¼ of 4--5--1, W. 5th M.
Homestead entry granted Paul Mercure, in error.

N.E.¼ of 9--54--15, W. 5th M.
Patented to Paul Mercure in lieu of the quarter-section above described.

S.E.¼ of 9--54--15, W. 5th M.
Vacant - Reserved for pre-emption entry by Paul Mercure.

To N.E.¼ of 4--5--1, W. 5th M. was patented many years ago, but immediately the agent overlooked this fact and granted Mr. Paul Mercure an entry.

When it was discovered that this quarter-section had been patented, Mr. Mercure's entry was of course cancelled, but, in order to recompense him as much as possible for the inconvenience and loss occasioned by the agent's error, he was allowed to select a quarter-section elsewhere, for which free patent was issued in his name, and he was also granted permission on the authority of the Deputy Minister to make entry for another quarter-section on pre-emption conditions.

For further facts see Mr. Ryan's memo. hereunder.

The heading of this memo. shows that free patent for the N.E.¼ of 9--54--15, W. 5th M. was issued in Mr. Mercure's favour, and for the last year or more the S.E.¼ of 9 has been reserved for him in order that he might make pre-emption entry for the same.

A report has now been received from the agent at Edmonton that Mr. Mercure is not satisfied with the last named parcel and desires to be permitted to make another entry elsewhere.

A pre-emption entry can only be granted for a quarter-section adjoining the homestead, but, in view of the special circumstances of this case, I assume that there would be no objection to allowing Mr. Mercure to make entry for a quarter-section elsewhere on the same terms as a purchased homestead, or, speaking more correctly, that he should be sold a quarter-section subject to pre-emption conditions. I

- draw -

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,

draw this distinction, as, if the entry is granted on the same terms as a purchased homestead, Mr. Mercure would be required to pay one-third of the price down, whereas, if it is made on the terms of a pre-emption entry, he will not be required to make any payment until three years have elapsed from the date of entry.

In view of the length of time that this case has been dragging along, I would suggest that the conditions be made as easy as possible for Mr. Mercure, in order to close the matter up.

It has been decided that the Minister may authorize any valuable water section on the same terms on which a pre-emption may be granted only on the performance of six consecutive years of cultivation of fifty acres of cultivable land to each of the pre-emptions. Mr. Mercure again communicated with the Department expressing his disappointment at not securing this land, at the same time enclosing $10.00 for an entry fee.

As this case has been running for a number of years and the trouble originated through an error of the Agent's please say if you consider it advisable to make an exception and allow Mr. Mercure to enter for this quarter section.

MEMORANDUM

Mr. Hume.

A homestead entry for the south west quarter of section 4, township 5, range 1, west of the 5th meridian, was granted to Paul Mercure in error. This land has been patented for some time but the Agent overlooked this fact when granting Mr. Mercure an entry.

When it was discovered that this quarter section was patented Mr. Mercure's entry was cancelled and he was allowed to select a quarter section for which free patent was to issue in his name and he was also permitted on the Deputy Minister's authority to make an entry for a quarter section on the re-establishment conditions.

On the 8th [illegible] granted Mr. Mercure selected the North East quarter of section 9, township 4, range 1, west of the 5th meridian, and received letters patent therefor, said letters patent bearing date of 30th July, 1918.

The South West quarter of the same section was reserved for selection by Mr. Mercure. When Mr. Mercure visited this land he decided it would take him some years to bring it under cultivation or to irrigate the land so as to make it a good stock farm and the Agent reported that in view of the foregoing he would like an exchange.

On the 31st December 1917, Mr. Stafford submitted this case and in connection with his memorandum a letter was written advising the Agent that the request made could not be granted as the transaction was considered as closed as regards the quarter section conveyed to him.

Mr. Mercure made application to have the North East quarter of section 19, township 7, range 1, west of the 5th meridian, but he was advised that this land, being a cancelled stock watering reserve, his request could not be considered as all cancelled stock watering reserves which were available are being reserved in connection with the soldier settlement scheme.

Entry granted - 25th March, 1919.

Application to have patents for these lands voted in the Soldier Settlement Board under the Order in Council of the 4th June, 1921, (P.C. 1041.)

This entrant has obtained advances on the security of the above lands from the Soldier Settlement Board.

Amount ---------- $16 . .
Purpose ---------- Stock, equipment and permanent improvements.

She has applied for patents claiming duties as shown on Forms 78.. hereunder marked. Apparently her duties have been completed in a satisfactory manner and the applications have been accepted but in view of the above mentioned loan, she was advised that patents could not issue in her name until her indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 17th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patents for these lands issue in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the lands.

Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patents for these lands issue in the name of the Board.

The majority of this land is good farming land with the exception of the S. W. ¼ of Section 6 which is stated to be only fit for grazing purposes. The Frl. N.W. ¼ containing the coal is apparently more valuable for town-site purposes owing to its proximity to the town of Coutts.

I would suggest that the question of the disposal of these lands be given further consideration, and the matter be discussed with Mr. Cote, Controller Land Patents Branch with a view to turning them over to the Soldier Settlement Board.

Madam,

With reference to your letter of the 16th ultimo relative to your application on behalf of the Medicine Branch of the Women's Institute to acquire as a cemetery site 10 acres of land comprised in the N.E. corner of Legal Subdivision 1 of Section 7, Township 2, Range 15, West of the Fourth Meridian, I beg to enclose official receipt No. 7676 for the sum of $10.00, received in payment of the customary fee in connection with applications for land required for the said purposes, and to say that in accordance with the invariable departmental practice, grants of land required as a cemetery site require to be confined to an area not exceeding two acres fronting on a road allowance.

Encl.

It will, therefore, be necessary for the application to be amended and for a proper description by metes and bounds of an area not exceeding two acres and fronting on a road allowance to be filed in the Department.

I may also point out for your information that grants must also require to be made either to a municipality, a duly incorporated church body or to a cemetery committee incorporated under the provincial statutes in that behalf. It would, therefore, be advisable that you consult a solicitor of the Province of Alberta as to further action necessary to be taken.

Mrs. Frankie Clark,

Madam,

25th June, 1930.

With further reference to your application on behalf of the Coutts Cemetery Company to acquire a cemetery site in the South East Quarter of Section 7, Township 1, Range 15, West of the 4th Meridian, I beg to say that, in view of the sketch recently furnished giving the dimensions of the site, the necessary action is now being taken to obtain the sanction of the Governor in Council for the issue of a grant covering the parcel of land in question.

I would point out, however, that the departmental records show that the distances furnished on the sketch supplied by you are only approximate and the following dimensions will be substituted:

South boundary 592.5 feet instead of 595.8 feet,
East boundary 6.3 feet instead of 7 feet,
West boundary will be practically the same as the figures furnished, that is, 285.3 feet instead of 285.45 feet.

It is assumed that these dimensions will be satisfactory to your Company as they comprise an area of two acres, more or less, which is the maximum area granted for cemetery purposes.

Frl. S. W. 7, S. W. 7, Frl. S. W. 18,
Twp. 1 - Rge. IV W. 4th M.

The above lands lying South West of the Alberta Railway and Irrigation Company's Railway right-of-way were formerly reserved in connection with the Canadian Pacific Railway Reserve at Cochrane, Alberta, but were withdrawn from the said reservation in May, 1914.

It was decided to deal with these lands in the same manner as are those in the so called "Odd Section List" and the Homestead Inspector's report has been received in each case.

According to the Deputy Minister's memorandum of the 4th May, 1915 he did not consider it advisable to carry out the suggested sales at that time and the matter was noted to come up for further consideration on the 1st October of the same year. A notation reading "No action 30/10/15" has been placed on this memorandum and the matter has apparently been in abeyance since that date.

In the meantime the N. E. ¼ S. ½ of Section 5 have been granted to Mr. Burnett in exchange for lands in Twp. 7 - 10 - W. 4, surrendered to the Crown for Park purposes. The remaining lands are shown pool red on the attached township plan and contain the following areas:-

	N. W. 4	1 acre
	S. W. 6,	165 acres
	N. W. 7,	1 acre
	N. W. 7,	104 acres
	S. W. 7,	80 acres
	S. W. 7,	160 acres
	S. W.18,	1 acre

The

The majority of this land is good farming land with the exception of the S. W. ¼ of Section 6 which is stated to be only fit for grazing purposes. The Frl. N.W. 4 containing one acre is apparently more valuable for townsite purposes owing to its proximity to the town of Coutts.

I would suggest that the question of the disposal of these lands be given further consideration, and the matter taken up with Mr. Cote, Controller Land Patents Branch with a view to turning them over to the Soldier Settlement Board.

The majority of this land is very similar land with the exception of the S. W. ¼ of Section 6 which is stated to be only fit for grazing purposes. The Pri. No. 4 continuation one mile is appreciably more valuable for townsite purposes owing to its proximity to [illegible] Centre.

I would suggest that a question of the disposal of these lands be given further consideration, and that matter be taken up by Mr. Bone, Controller Land Agents [illegible] with a view to further [illegible] over the Soldier Settlement Board.

MEMORANDUM:

Quarantine Reserve at Coutts, Alberta
Township 1, Range 15, west 4th. M.
West and South of Railway.

The portion of this Township North and East of the Railway is reserved for quarantine purposes by Order in Council.

This portion is not wanted for quarantine purposes any longer and before it was decided to deal with the lands therein in the usual manner as are those in the so called "Gr. Section Limit" the Homestead Inspector's report has been obtained in each case.

In ordinary cases the parcels containing 80 acres or over would be sold by Local Entry by posting in the usual manner, fixing the upset price thereof, but in view of the Homestead Inspector's valuations ranging from $10.00 to $20.00 an acre it may be thought advisable to dispose of them in some way other than by Local Entry or by public auction, in either case subject to the usual conditions.

The following parcels, each containing less than 80 acres, might I think be sold for cash, when applied for, to the owners or tenants of the adjoining lands in accordance with the usual practice, namely N.E.¼ 4, 1 acre, N.E.¼ 5, 51 acres, S.E.¼ 7, 1 acre, S.E.¼ 7, 20 acres, S.W.¼ 15, 1 acre.

I beg to return herewith the application for patent of Mr. A.J.C.Picknell, for the above land, together with the Articles of Agreement to purchase the West half of Section 8, Township 21, Range 1, West of the 4th Meridian, which accompanied your letter of the 1st instant. Dear Sir

-24 SW 21 . 21 - 1 W 4th
S½ 1 . 22 . 2 W 4.

I Homesteaded the SW 21 . 21 . 1 W 4th in 1915 & 1916 I got assistance from your Department as follows and grain $244.64 Fodder $30.70 Relief $155.60 I am already paid enough to wipe out the last two amounts, & in 1920 abandoned this piece of land, because the land was too light & sandy & would not produce crops, or fodder for stock.

I expected that when I abandoned this land due to poor crops etc that the debt above would naturally be cancelled & that you would recover the amount owing on resale. however. I bought the S½ 1 . 22 . 2 . W 4 in 1922 & on a search being made I found it to be clear, but on a recent search being made noticed that the above land was filed there on as security for the debt

From personal knowledge I know
of a number of similar cases in this
district, that when a man had to
abandon his land, the Dominion Lot-
for relief etc was automatically
cancelled, & I would like to know why
the same procedure was not followed
in my case. Frankly I see no reason
why there was any chance of buying,
I would certainly be biased to do so
but I have made no enquiries whatever
in the last 5 years, & me but as
much, if not more on land - machinery
I might - than I did when purchased.
Also the above land belonged to the
Great West Life Assce Co & now this claim
is ahead of their mortgage, which I
may never pay out if conditions
remain as they are, much longer.
This is hardly fair to them, as me
seeing that you have cancelled so
many claims in this district.
Kindly let me know if there are
any grounds to give me any relief on
this lot, as what with the drought &

of my present debts, & the finding of
this new one, which I assumed cancelled
is more than my nerves can stand,
especially with such a poor outlook
for the farmer.

If you doubt the honesty of my
request you are at liberty to write
to the Bank of Commerce at Empress
with whom I have dealt for a number
of years.

Trusting to receive a favourable
reply
